

Midway Electric Inc. is proud of the company safety program and results.

Our entire team realizes there is nothing more important to an electrical safety program than to have a staff of technicians who have been properly trained and who are qualified to do their jobs efficiently and safely.

National Safety Council Mission

The National Safety Council saves lives by preventing injuries and deaths at work, in homes and communities, and on the roads through leadership, research, education and advocacy.

Join the Journey to safety excellence.
